

MEMORANDUM

ED&HS
Agenda Item No. 4 (Q)

TO: Honorable Chairperson Barbara Carey-Schuler, Ed. D. and Members, Board of County Commissioners
DATE: May 19, 2004

FROM: George M. Burgess
County Manager
SUBJECT: Ordinance Creating the
NW 7TH Avenue
Community
Redevelopment Agency

RECOMMENDATION

It is recommended that the Board approve the attached ordinance creating the NW 7th Avenue Community Redevelopment Agency (the "Agency"), appointing Board of Commissioners of such agency and delegating certain redevelopment powers to the Agency.

BACKGROUND

On 16, 2004 the Board adopted Resolution No. 293-04, which declared the area generally bounded North by 119th Street, on the South by the City of Miami, on the East by Interstate 95 (I-95) and on the West by NW 7th Avenue, to be a slum/blighted area and also found the need to create a Community Redevelopment Agency (CRA).

Pursuant to this declaration, it is being proposed that the Board now create the NW 7th Avenue Community Redevelopment Agency. It is further being proposed that the Board delegates the following community redevelopment powers to the Agency:

- (i) Initiate, prepare and adopt a redevelopment plan and any amendments to said plan, subject to review and approval by the Board.
- (ii) All powers not delegated to the Agency are reserved exclusively by the Board.

The following are two options available to the Board for the creation for a Community Redevelopment Agency:

- * The Board, by resolution, may declare itself the Community Redevelopment Agency, or
- * The Board by Ordinance can create an agency through the appointment of between five and nine persons who reside or are engaged in business within Miami-Dade County.

The Creation of the Agency

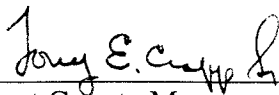

The action being considered by the Board, in this agenda item, solely relates to the creation of the Community Redevelopment Agency, therefore it does not, in itself, generate an economic impact. By creating the CRA, the Board has undertaken a step towards the adoption of a Redevelopment Plan and the establishment of a Tax Increment Financing mechanism to fund its implementation.

The CRA Plan

At a later date, staff and the County's CRA Consultant shall bring forward the completed NW 7th Avenue CRA Redevelopment Plan for consideration and recommended adoption by the newly formed CRA Board. This Plan will then move forward to the Board for final consideration and adoption. The Plan covers a geographic area of 112 acres. This newly formed redevelopment area was designated by Board action through their acceptance and adoption of the Finding of Necessity.

Fiscal Impact Analysis:

A tax increment financing mechanism will be presented for future Board action after the Redevelopment Plan is adopted. Under Chapter 163 Part III, F.S., the County will have the option of sharing the public revenue benefits in an amount ranging from 50% to 95%. The Tax Increment Financing (TIF) mechanism has a statutory life of 30 years from the date Trust Fund is established.
